RE: Case Number: 1:20-CV-00026

Dear David J. Bradley, Clerk of the Court:

Through this communication, we would like to request a postponement of our first initial pretrial and scheduling conference for our case (**Case Number: 1:20-CV-00026**), which is scheduled for **May 21, 2020 at 2:00 p.m.** We are the defendants on the case, **Apollotek International, Inc.**

Due to the current COVID-19 pandemic situation in California and Texas, we are having difficulties addressing the required activities to secure legal representation and to prepare for the case. Due to health recommendations by our governor and local authorities, we have access and travel restrictions that are impacting our activities. We have practically sent home our staff, except for a skeleton crew. Because we don't have a definite date for the end of this situation, we don't have a recommended alternate date and we would leave that for the court to determine.

Please consider this request for a postponement for the first hearing and let us know of your decision.

Thanks for your prompt response to this request.
